Clinton Kane

When you're moving at a pace and leave before it started  
It's hard to take a break when you don't know what's important  
Am I too far gone to stay?  
Will I ever wanna change?  
If I went another way would it be different?  
If I had the other say would I have listened?  
It's all I've ever known  
But now I'm wanting more

Falling in and out of place  
I don't know where I want to be  
Afraid of what it's done to me, woohooah  
But now I'm feeling lost and out of reach

And I can't find my place  
I've never had a home to rest my ache  
I'm tired of being on my own and broken  
Scared that it won't ever end  
I've tried and tried again  
But all I've found is emptiness instead  
I'm giving up on all I ever wanted  
I guess that it's just hopeless

Is it alright if I don't find the ending of my story  
Second guessing anytime I start to see it for me  
I'm running out of space  
To make up my mistakes  
I'm so done waiting for what I want  
Hope I find something to fill my heart  
It's all I've ever known  
But now I'm wanting more

And I can't find my place  
I've never had a home to rest my ache  
I'm tired of being on my own and broken  
Scared that it won't ever end  
I've tried and tried again  
But all I've found is emptiness instead  
I'm giving up on all I ever wanted  
I guess that it's just hopeless

Oooooohhhhhh  
Oooooohhhhhh  
Oooooohhhhhh

I can't find my place  
I've never had a home to rest my ache  
I'm tired of being on my own and broken  
I'm scared that it won't ever end  
I've tried and tried again  
But all I've found is emptiness instead  
I'm giving up on all I ever wanted  
I guess that it's just hopeless

Oooooohhhhhh  
Oooooohhhhhh

I'm giving up on all I ever wanted  
I guess that it's just hopeless
