Let It Go

Clinton Sparks

"Get familiar!" "Hold on there, hey you! Wait a minute" Clinton Clinton Clinton Sparks "Hold on there, hey you! Wait a minute" [Nature] It's nuttin new, I started with Steve Stoute 'Round the same time B.I.G. first put Cease out [Noreaga] Same thing, but I started with Penalty "L.A., L.A." the West coast was the enemy [Nature] But we still found a way to link up with Dre [Noreaga] And recorded The Firm album, out in L.A. Now that shit squashed [Nature] Got guns in the strip bars [N.O.R.E.] Stay on rims faster than you get your shit squashed [Nature] Y'all lil' niggaz ain't cut like that [N.O.R.E.] You niggaz move out the hood then you move right back [Nature] And get surprised when we move like crack and amphetamines No more chocolate, smokin on the better greens [Noreaga] Yeah, from Flint Michigan to Pensacola Florida Got a shorty borrow her, and I bail horror [Nature] Yeah, wind and rain like back to back hurricanes [N.O.R.E.] Ivan and Francis, feelin like it's hurra same [Chorus: repeat 8X] [N.O.R.E.] Load it, cock it, aim it, let it go [Noreaga] Funk I had to smash I'ma smash back I got a elevator in the crib, cause I got a bad back [Nature] Yeah, yeah, yeah, premier after scared as "Fear Factor" Niggaz cannot see me clearly with glasses [Noreaga] Ha, so you niggaz moved back from the boss Dat dat, dat, da-dat's when you're lost! [Nature] Check his medical reports and the dental files [N.O.R.E.] All you need is one-two for a simple smile [Nature] I've got a shorty givin brains so I'm always gon' brain her [N.O.R.E.] And man I'm gettin fat I'm 'bout to hire me a trainer [Nature] Fuck a low carb

[N.O.R.E.] Cause now I'm like pro-God

[N.O.R.E.] Fuck a diet nigga cause I'd rather get a blow job [Nature] I got a gun but don't need to use it Fuckin up the world like Serena losin

[N.O.R.E.] Load it, cock it, aim it, let it go [N.O.R.E.] Load it, cock it, aim it, let it go

[Chorus]
