

# Kinda Like A Big Deal

Clipse

Til the casket drops  
Third times a charm right?  
Hehe ha  
Come on!

I'm kinda like a big deal  
It's unbelievable u see my warning gives u big chills  
The flow runnin on Big's heels  
My life after death, Big ain't get to see how this feels  
Third time's a charm baby  
After two classics another stripe up on my arm baby  
It's a blessin' to blow a hundred thou in a recession  
With no second guessin,  
Ha ha we're ballin, drop tops we're floorin  
Champagne we're pourin  
Re-up is the gang and I'm all in!  
To the powder & the flame I have fallin!  
Get money blow money is my callin  
Yea! Watch a n-a burn through it  
Life's a maze, you twist and you turn through it  
The driest of droughts, maneuvered and I earned through it  
I'm set straight like a perm do it, Push!

They whisperin about us  
I know you haters doubt us  
How you count our money we ain't even finish countin  
Pardon me I must say, I'm kinda like a big deal...

Ay yo I'm sittin on top of the-  
It's more than a feeling ain't it?  
I be killin dame it, I'm illin and I'm illin' -  
Eh eh eh meet Mr. Popular  
Go get your binoculars  
And see Penthouse 3 where a n-a be  
Spittin fire on the PJ in my PJ's  
Fire Marshall said I took it to the Max like TJ  
Yea people I said Marshalls we play  
I guess I'm like the Black Marshall meets Jay  
Meet Ye' alligator soufflé, had it made  
Special Ed got head from a girl in special ed  
Ya know the pretty ones in that dumb class-  
But she got that dumb ass  
Hit high school and got pregnant dumb fast  
What happen Tisha, your boyfriend come fast?  
Turn around gimme pound like we folks  
Hell no I went Raw dog three strokes

They whisperin about us  
I know you haters doubt us  
How you count our money we ain't even finish countin  
Pardon me I must say, I'm kinda like a big deal...

Lights, cameras, action!  
The chain itself's a damn distraction  
You claim the belt, the glory I bask in  
I be hoppin the ring, n-s ya cash in  
It's like stoppin a train,

N-a think he's stoppin my reign  
Talk slick while droppin my name?  
I'm puttin ya'll to shame, diamonds in the little hand  
50 percent splits I X out the middle man  
A far cry from a stash in the rental van  
I'm the reason the hood need a dental plan  
Ladies & gentle-man, introducin'  
The C4S with the rims protrudin'  
The roof vamoose, like a magic show  
Got me lookin' to the heavens like a javelin throw  
Ya'll twiddle your thumbs like the average joe  
But just as you reap, so shall u sow...

They whisperin about us  
I know you haters doubt us  
How you count our money we ain't even finish countin  
Pardon me I must say, I'm kinda like a big deal...
