

Built To Kill

Cliteater

No remorse
No regrets
No feeling
Built to kill

Ostrcize consciousness to another dimension
Bloodred let the path be one should lead

Write-off blunt weakness
Smiling at the caused mayhem
Dog eat dog

Slain shall be the ones who defy
Slaughter the ones who deny
The philosophy of total fuckin' destruction of man
And it's pathetic attempts to everrule all

Misanthrope, I, built to kill
Misanthrope, you, built to kill
Misanthrope, them, built to kill
Misanthrope, us, built to kill
