You make my heart bounce  
Make it bounce  
Make it bounce  
When you come around  
You make it bounce  
And I'm alright  
I can't fake it

When I feel stuck in a circle  
And there's no getting out, getting out  
You're the only one in the world  
Who's gonna turn it around

You make my heart bounce  
Make it bounce  
Make it bounce  
When you come around  
You make it bounce  
And I'm alright

No one else can touch me like you  
Got me feeling like you do  
Make me bounce like you  
No one really knows me like you  
When I'm stuck in a mood  
I come running back to you

Bounce  
Make it bounce  
Make it bounce  
When you come around  
You make it bounce  
And I'm alright  
I can't fake it

No one else can touch me like you  
Got me feeling like you do  
Make me bounce like you  
No one really knows me like you  
When I'm stuck in a mood  
I come running back to you

Bounce  
Bounce  
You make my heart bounce  
Make it bounce  
Make it bounce  
When you come around  
You make it bounce  
And I'm alright  
I can't fake it
