

Burning My Bridges

CLMD

Down, down, ooh
Down, down, ooh
Down, down, ooh
Down, down, ooh

I lost my head while trying to find my way to you
I think I'm addicted to the chase
Oh, this tunnel vision it keeps fogging up my view
No I don't think I'm thinking straight

Oh I keep making messes acting reckless
For you I lost my senses
Sacrificing, compromising
I never learn my lesson
Dodging all my plans and ditching all my friends
Just to have you around, oh wow

I'm burning my bridges down, ooh, ooh, down
I'm burning my bridges down, ooh, ooh, down
I'm burning my bridges down, down, down for you
Nothing left to lose now, ooh, ooh

I'm burning my bridges down, down, ooh
Down, down, ooh
Down, down, ooh, down
I'm burning my bridges down, down, ooh
Down, down, ooh
Down, down, ooh, down
I'm burning my bridges down

I don't know why I'm always giving way too much
I can't ever love someone halfway, oh
This all or nothing kinda lovin' isn't fun
It's always ending up the same

Oh I keep making messes acting reckless
For you I lost my senses
Sacrificing, compromising
I never learn my lesson
Dodging all my plans and ditching all my friends
Just to have you around, oh wow

I'm burning my bridges down, ooh, ooh, down
I'm burning my bridges down, ooh, ooh, down
I'm burning my bridges down, down, down for you
Nothing left to lose now, ooh, ooh

I'm burning my bridges down, down, ooh
Down, down, ooh
Down, down, ooh, down
I'm burning my bridges down, down, ooh
Down, down, ooh
Down, down, ooh, down
I'm burning my bridges down

I'm burning my bridges down, ooh, ooh, down
I'm burning my bridges down, ooh, ooh, down

I'm burning my bridges down, down, down for you
Nothing left to lose now, ooh, ooh

I'm burning my bridges down, down, ooh
Down, down, ooh
Down, down, ooh, down
I'm burning my bridges down, down, ooh
Down, down, ooh
Down, down, ooh, down
I'm burning my bridges down

I'm burning my bridges down, down, ooh
Down, down, ooh
Down, down, ooh, down
I'm burning my bridges down, down, ooh
Down, down, ooh
Down, down, ooh, down
I'm burning my bridges down
