

## Do It Better

CLMD

(I can do it better myself)  
(I can do it better)

When I'm lonely I let you in  
Let your head down to my water for a swim  
Do it slowly, make me sing  
If I'm honest I don't really feel a thing

And I really don't wanna let you down  
I can't fake it, won't make a sound  
I can do it better, I can do it better  
Really want this to work, I do  
Baby, it's not me, it's you  
I can do it better, I can do it better myself

(I can do it better) I can do it better myself  
(I can do it better)

Pay attention, watch and learn  
Baby, I will let you know when it's your turn  
Let me show you how it's done  
It's not easy but it's worth it when I

And I really don't wanna let you down  
I can't fake it, won't make a sound  
I can do it better, I can do it better  
Really want this to work, I do  
Baby, it's not me, it's you  
I can do it better, I can do it better myself

(I can do it better) I can do it better myself  
(I can do it better) I can do it better myself  
(I can do it better) Better myself  
(I can do it better) I can do it better myself

I can do it better myself  
I can do it better myself  
I can do it better myself  
I can do it better, I can do it better  
Really want this to work, I do  
Baby, it's not me, it's you  
I can do it better, I can do it better myself
