

There's no need for an explanation
With the words, I feel them tumbling down
'Cause I know you're my temptation
You make me fall into a deeper ground

I raise my hand so you can see me
I hold it up until I feel the fall
I didn't need someone to save me
Let me be the one to stand tall

I wish that I could feel the warmth under the sun
I'll be here watching it dust
I wish that I could see where everybody runs
I'll be here watching me dust

Ooh, ooh, ooh ooh
Ooh, ooh, ooh
Ooh, ooh, ooh ooh
Ooh, ooh, ooh
Ooh, ooh, ooh ooh
Ooh, ooh, ooh
Ooh, ooh, ooh ooh
Watching it dust

There's no need for an understanding
You wouldn't care about it anyway
'Cause you forgot what we were planning
I wouldn't waste my time to beg you stay

So raise your hand if you can see me
Hold it up until you feel the fall
I never asked for you to save me
Now I'm left alone to stand tall

I wish that I could feel the warmth under the sun
I'll be here watching it dust
I wish that I could see where everybody runs
I'll be here watching me dust

Ooh, ooh, ooh ooh
Ooh, ooh, ooh
Ooh, ooh, ooh ooh
Ooh, ooh, ooh
Ooh, ooh, ooh ooh
Ooh, ooh, ooh
Ooh, ooh, ooh ooh
Watching it dust

Ooh, ooh, ooh ooh
Ooh, ooh, ooh
Ooh, ooh, ooh ooh
Ooh, ooh, ooh
Ooh, ooh, ooh ooh
Ooh, ooh, ooh
Ooh, ooh, ooh ooh
Watching it dust
