

## Sailboat

CLMD

You got me feeling like a sailboat  
Sailing on the ocean, mmmh  
I'm feeling like a sailboat  
Sailing in the open, mmmh  
Not a cloud up in the sky  
Salty water in my eyes  
When I'm with you there's not a thought in my mind  
I'm a mother fucking sailboat  
Sailing on the ocean, mmmh

You got me feeling like a sailboat  
Sailing on the ocean, mmmh  
I'm feeling like a sailboat  
Sailing in the open, mmmh  
Not a cloud up in the sky  
Salty water in my eyes  
When I'm with you there's not a thought in my mind  
I'm a mother fucking sailboat  
Sailing on the ocean, mmmh

I've been longing for the sea for all my life  
But never found the perfect wave  
But then I saw a lighthouse dancing in the night  
And it was you showing the way

You got me feeling like a sailboat  
Sailing on the ocean, mmmh  
I'm feeling like a sailboat  
Sailing in the open, mmmh  
Not a cloud up in the sky  
Salty water in my eyes  
When I'm with you there's not a thought in my mind  
I'm a mother fucking sailboat  
Sailing on the ocean, mmmh
