

Rain On My Skin

ClockClock

Rain, rain on, rain, rain on
Rain, rain on, rain, rain on
Rain, rain on, rain, rain on
Rain, rain on, rain, rain on

Found myself in a place that I call home
Far, far away in the depths of the unknown
See, I used to be the man, I used to be a rolling stone
Now I found myself in the shadows all alone

And I can feel the rain on my skin
I can feel the rain on my skin
I can feel the rain on my skin
On my skin
On my skin

Let the rain fall
Down on my skin
Let the rain wash away my pain
Let the rain fall
Down on my skin
Let the rain wash away my sins

And I don't care
And I don't scare
And I don't scare
I don't scare

I was looking for a place in the beauty of my mind
My eyes were open and yet my eyes were blind
See, I used to be the king, I used to rule the world
I would rather live one day as a lion
Than my whole life as a boy

And I can feel the rain on my skin
I can feel the rain on my skin
I can feel the rain on my skin
On my skin
On my skin

Let the rain fall
Down on my skin
Let the rain wash away my pain
Let the rain fall
Down on my skin
Let the rain wash away my sins

Let the rain wash away all the pain from yesterday
Let the rain fall, fall, fall on my skin
And I don't care
Rain on my skin
Rain on my skin
Let the rain fall

Let the rain fall
Down on my skin
Let the rain wash away my pain

Let the rain fall
Down on my skin
Let the rain wash away my sins

And I don't care
And I don't care
And I don't care
I don't care
