

# Sorry

ClockClock

Baby, I'm sorry  
I'm sorry to meet ya  
I'm sorry to remind you of somebody who didn't know how to treat ya, uh  
Baby, I'm sorry  
I'm sorry to meet ya  
I know you're terrified that I'm somebody only coming to leave ya, uh

Goddamn, you're like an angel  
There's a halo in your eyes and a story that you hide  
Somebody's been unfaithful  
There's something in your smile like you're crying in disguise  
I'm walking on a tight rope  
'Cause everything I do might open up a wound  
But, baby, I got high hopes  
I could cover that bruise if you let me love you

Baby, I'm sorry  
I'm sorry to meet ya  
I'm sorry to remind you of somebody who didn't know how to treat ya, uh  
Baby, I'm sorry  
I'm sorry to meet ya  
I know you're terrified that I'm somebody only coming to leave ya, uh

This is not what I imagined  
I was hoping we could be more than just a memory  
We were never meant to happen  
We were somewhere in-between 'cause of someone who ain't here

I'm walking on a tight rope  
'Cause everything I do might open up a wound  
But, baby, I got high hopes  
I could cover that bruise if you let me love you

Baby, I'm sorry (I'm sorry)  
I'm sorry to meet ya (Sorry to meet ya)  
I'm sorry to remind you of somebody who didn't know how to treat ya, uh (How to treat ya)  
Baby, I'm sorry (I'm sorry)  
I'm sorry to meet ya (Sorry to meet ya)  
I know you're terrified that I'm somebody only coming to leave ya, uh (Coming to leave ya)

How do you deserve this?  
How do I reverse it?  
Even though you know I don't do you wrong  
How do I deserve this?  
I know what the curse is  
Tell me why do hurt people hurt someone? (I'm sorry)

Baby, I'm sorry (I'm sorry)  
I'm sorry to meet ya (Sorry to meet ya)  
I'm sorry to remind you of somebody who didn't know how to treat ya, uh (How to treat ya)  
Baby, I'm sorry (I'm sorry)  
I'm sorry to meet ya (Sorry to meet ya)  
I know you're terrified that I'm somebody only coming to leave ya, uh

Baby, I'm sorry (I'm sorry)

I'm sorry to meet ya (Sorry to meet ya)

I'm sorry to remind you of somebody who didn't know how to treat ya, uh (How to treat ya)

Baby, I'm sorry (I'm sorry)

I'm sorry to meet ya (Sorry to meet ya)

I know you're terrified that I'm somebody only coming to leave ya, uh
