

Got Apprehension

Close Lobsters

Put your neck on the chopping block
Sieze this day laugh the airheads off
Decline the blindfold - watch them chop
Decapitations is nothing to be scared of

Put your neck on the chopping block
You'll feel the left side of your skull box
Get out your face and your mind will follow
Let me help you with what you care for

Only if you're sure
Of this you can be sure

I think I got something, I think I picked up something
I may have got something
I think I got something, I think I picked up something
I may have got something

Put your neck on the chopping block
Seize this day laugh the heir's heads off
Troubles made to see you so disturbed
Let me help you with what you care for

Only if you're sure
Of this you can be sure

Apprehension

I think I got something, I think I picked up something
I think I got something
I think I got something, I think I picked up something
I may have got something
