

Chuggin Is For Choo Choo's

Close To Home

Oh can you see the sights,
Is this all a dream,
Or is this violence part of the fakest scenes,
You are so numb,
Another fake, such a replication,
A bitter taste, for the latest fashion

There's something wrong here,
Take a look around and see,
There's something wrong here,
Is this really happening?

You look so ignorant,
Boy what you trying to prove,
Your not original,
Come on now bust a move,
Look at him go

I'll show you what it means to love

There's something wrong here,
Take a look around and see,
There's something wrong here,
Is this really happening? (2x)

They'll never see this coming,
They'll never know,
They'll never see this coming,
Hold tight and never let go,
Let go, oh

There's something wrong here,
Take a look around and see,
There's something wrong here,
Is this really happening? (2x)

They'll never see this coming,
They'll never know
