

Tombstone

Cloud Control

You say you care
We could be in the sun
You say you mean it
Write it on my tombstone
My tombstone
Yeah

You don't believe me
You think we're having fun
You think I'm joking
Write it on my tombstone
My tombstone
Yeah

You say it's love
I'm on your coffee cup
You say it feels right
Write it on my tombstone
My tombstone

Write it on my
Write it on my
Write it on my tombstone
