Been Through

Cloud Nothings

Nothing's working, nothing's working Nothing's working, nothing's working Do you feel alright? You shouldn't Nothing's working, nothing's working Nothing's working, nothing's working Nothing's working, nothing's working Do you feel alright? You shouldn't Nothing's working, nothing's working You're getting older You're getting older You're getting older Now You're getting older You're getting older You're getting older Now I am understanding but I can't believe what you've been through I am understanding but I can't believe what you've been through I am understanding but I can't believe what you've been through I am understanding but I can't believe what you've been through Nothing's working, nothing's working Nothing's working, nothing's working Do you feel alright?
