

It's Love

Cloud Nothings

Try me
Write me
See me
Fear me

It's a hard life
A hard life
It's a hard life
A hard life (Ayy)

Read me
Feel me
Be me

It's a hard life
A hard life
It's a hard life
A hard life
It's a hard life
A hard life
It's a hard life
A hard life (Ayy)

So it's love
Is it something we shouldn't touch?
Oh, it's love
Is it something we shouldn't touch?
And it's love
Is it something we shouldn't touch?
And it's love
Is it something we shouldn't touch?
Oh, it's love
