# Running Through The Campus

**Cloud Nothings**

```
I pass the hall
A mile long
And in the room
A ghost I knew
Climbing the hall
I see a wall
It's all I know
It's all I know

I'm running through the campus at home

I never run for anyone else
It's just a thing I do for myself
I feel alright when everything's done
While I'm alive I'm staying in sun
I see the campus empty at night
I wanna like what everyone likes
Can you believe how far I have come?
Another plane than where I come from

I'm running through the campus at home
I'm running through the campus at home

I pass the hall
A mile long
And in the room
A ghost I knew
Climbing the hall
I see a wall
It's all I know
It's all I know
I wanna run
I wanna run
I wanna run
I wanna run
```
