

Don't Stop

Clout

I remember the wasted evenings
Of making love when there was no feelings
But then you opened your heart to see me
Now I'm alive again

Yeah, you were everybody's baby
Till your feet came back to ground
Now I'm not the girl I used to be
Yeah, I'm a woman and you're a man

(Don't stop)
Don't stop what you're doing
(Don't stop)
Don't stop what you're saying
(Don't stop)
Never stop when a feeling is real
'Cause your heaven could be hell in a day

(Don't stop)
Don't stop in the middle
(Don't stop)
Don't stop if it's rough
(Don't stop)
Never stop when a feeling is real
'Cause your heaven could be hell in a day

Now is it real or am I dreaming?
This only once in a lifetime feeling
I gave you love, you gave it meaning
Now I'm alive again

Yeah, you were everybody's baby
Till your feet came back to ground
Now I'm not the girl I used to be
Yeah, I'm a woman and you're a man

(Don't stop)
Don't stop what you're doing
(Don't stop)
Don't stop what you're saying
(Don't stop)
Never stop when a feeling is real
'Cause your heaven could be hell in a day

(Don't stop)
Don't stop what you're doing
(Don't stop)
Don't stop what you're saying
(Don't stop)
Never stop when a feeling is real
'Cause your heaven could be hell in a day

(Don't stop)
Don't stop what you're doing
(Don't stop)
Don't stop what you're saying
(Don't stop)

Don't stop what you're doing
(Don't stop)
Never stop what you're saying
(Don't stop)
Don't stop in the middle
(Don't stop)
Never stop if it's love
(Don't stop)
Don't stop what you're doing
