

# Judas

Cloven Hoof

Betrayed and delivered into the Dominators clutches by the treacherous Osiran's.

The rebels cause seemed lost, but one brave soul escaped making a vow of eternal vengeance.

Here I am my fingers burned,  
I gave everything,  
you give nothing in return.

Demonised they curse my name,  
I stood tall you ran,  
but still I took the blame.

All those lies,  
to save your skin.  
Hypnotised,  
fools were taken in.

Judas!  
You betrayed me.  
Judas!  
you played me.  
Judas!  
you denied my trust,  
Judas!  
words cheap like dust.

Judas!  
behind the mask.  
Judas!  
there's a maniac.  
Judas!  
knife in the back.  
Judas!  
ready to attack.

I got wise the worm has turned,  
used my loyalty it got the best of me.  
Vilified,  
but your hands are stained.  
I'll see you in hell before I have you back again.

Reptile smile,  
traitors fate.  
All the while,  
your jealous rage of hate.

Judas!  
You betrayed me.  
Judas!  
you played me.  
Judas!  
you denied my trust,  
Judas!  
words cheap like dust.

Judas!

behind the mask.  
Judas!  
there's a maniac.  
Judas!  
knife in the back.  
Judas!  
ready to attack.

Nowhere to hide,  
never felt so exposed.  
Nowhere to run,  
in the spotlight alone.

(Judas!  
You betrayed me.  
Judas!  
you played me.  
Judas!  
you denied my trust,  
Judas!  
words cheap like dust.

Judas!  
behind the mask.  
Judas!  
there's a maniac.  
Judas!  
knife in the back.  
Judas!  
ready to attack.

Judas!  
Judas!  
Judas!  
Judas!

You are a Judas.
