CLOVES

Maybe I'm numb  
Maybe you don't understand  
Maybe I'm numb  
Maybe I'm...  
Maybe I'm...  
Manic

Crooked smile  
Blackened day  
Silent loud  
Empty space  
I'm alright  
Not okay  
Hold me close  
For all the time it takes  
For all the time it takes

Dead happy  
Woken sleep  
Running still  
Still running  
I'm alright  
Not okay  
Hold me close  
For all the time it takes  
(You cry, you cry, you cry yeah)  
(You cry, you cry, you cry yeah)  
For all the time it takes  
(You cry, you cry, you cry yeah)  
(You cry, you cry, you cry yeah)  
Hold me till I fade away

Maybe I'm numb  
Maybe you don't understand  
Maybe I'm numb  
Maybe, maybe I'm...

Maybe I'm numb  
Maybe you don't understand  
Maybe I'm numb  
Maybe, maybe I'm...

Maybe I'm...  
Maybe I'm...  
Manic
