

Sometimes I Felt Like a Loser

Club 8

sometimes i felt like a loser
when i was there i was with you
it was too well known
i meant no harm i was faithless
hoping for something to grow
for something to show

i wanted a feeling
something that seemed real
and now it's here
tired of indifference
looking for people
to knock me down
i think i got it made this time

somehow you made me feel grateful
i was so easy to please
that you could see
i wasn't much
i was something
someone to sweeten your nights
to make you feel all right

i wanted a feeling
something that seemed real
and now it's here
tired of indifference
looking for people
to knock me down
i think i got it made this time

when i say go
you go
when i say stay
you go
