Why you treat me so bad  
Why you treat me so bad  
Why you treat me so bad  
Why you treat me so bad  
Why you treat me so bad baby

Oh girl I loved you but you turned and you walked away  
I would love you for tomorrow though I know I do today  
Told me that you'd never hurt me, girl you just tore my life apart  
Tell me baby, why'd you do it, won't you bring me back my heart

I tried to understand it baby, I searched my heart inside my mind  
I searched the depths of my soul baby  
There was nothing there to find  
You told me that you'd never leave me  
Girl you just went and told a lie  
Tell me baby, why'd you do it, why'd you make ah ma want to cry

Why you treat me so bad, I don't know why baby  
Why you treat me so bad, why you do me the way you do  
Why you treat me so bad, I don't know why baby  
Why you treat me so bad  
Why you treat me so bad baby

Boy just let me tell you how I really and truly feel  
You know that I have doubts and issues,  
But now I'm gonna tell you the deal  
You tell me that I always hurt ya, I don't know what ya talkin' 'bout  
Tried to love you, tried to hold you, but you always seemed to doubt

You have told me that you didn't trust me  
And you didn't want me around  
Show somebody else your interest, now you walk around with a frown  
Sorry that you say I hurt you, but you know you hurt me too  
I'm begging you baby, I need you back, 'cause I'm still in love with you

Why you treat me so bad, I don't know why baby  
Why you treat me so bad, why you do me the way you do  
Why you treat me so bad, I don't know why baby  
Why you treat me so bad  
Why you treat me so bad baby

I sit here all alone just thinkin' how our love could be  
But everytime I call you up you won't get on the phone with me  
I just don't know if I can take it, you make me cop a plea  
You got me begging for your lovin', can't you see it's killing me

I just don't understand you baby, after all I've done for you  
You know we've both done through some changes  
Now you say your love is true  
Boy, you know how much I loved you, now I guess my heart has changed  
Don't beg me baby, can't take you back, I've found myself another man

Why you treat me so bad, I don't know why baby  
Why you treat me so bad, why you do me the way you do  
Why you treat me so bad, I don't know why baby  
Why you treat me so bad

Why you treat me so bad baby

Oh girl

I don't know

Why you treat me so bad

Do what's right

Why you treat me so bad, I don't know

Why you treat me so bad, so bad

Why you treat me so bad
