Used to hit up Dre's when it's toast up time  
When I come around bitch it's ho up time  
Used to dream of flossing, driving drop tops (drop tops)  
Back when the bitches were playing hopscotch  
The flyest on my block, all this game she gon' buy some  
The rappers that you listen to, hell nah  
He do'n thump, he ain't hot  
They wanna hate on me but she don't mind  
Cause everytime I call her phone, bitch, she on time  
Pass the bomb

She threw her panties, I told her add the bra  
Naked on stage, and that's shit's brawlin'

Fallin' in love (don't do that bro, don't do that bro)  
You thinkin' she da one (don't do that bro, don't do that bro)
