

## On The Flo

Clyde Carson

It's on the flo  
It's on the flo  
It's on the flo  
Got a bad little joint right now on the flo  
All these blue hundreds on the girl on the flo  
What's fallin' out of the sky don't get shots on the flo  
Two bankrolls, one by my [?] on the flo  
Hundreds, fifties, dough is on the flo

It's on the flo, it's on the flo  
Got your points up, try'na up the score  
I'm a world-wide nigga movin' around  
G-Five in my [?]  
From the bay, but I'm really from the town  
In L.A. in [?] touch down  
New York, one time was my home  
On pursuit when I first gettin' known  
Yeah, I'm drippy with a bunch of high fashion  
Spittin' [?] that's ain't passion  
That's in the area tonight, got action  
Too much, she gonna had to get a trash bin

It's on the flo  
It's on the flo  
It's on the flo  
Got a bad little joint right now on the flo  
All these blue hundreds on the girl on the flo  
What's fallin' out of the sky don't get shots on the flo  
Two bankrolls, one by my [?] on the flo  
Hundreds, fifties, dough is on the flo
