

Honey Love

Clyde McPhatter

(Love me, love me-lo)
(Love me, love me)
(Love me, love me-lo)
(Love me, love me, love me)
(Love me, love me, love me)
(Love me, love me, love me-lo)
(Bom, boo-loo, lo-lo-lo)

I need it (I need it)
When the moon is bright
I need it (I need it)
When you hold me tight
I need it (I need it)
In the middle of the night
I need your honey love
(Bom, boo-loo, lo-lo-lo)
I want it (I want it)
When the lights are low
I want it (I want it)
Just before you go
I want it (I want it)
Because I love you so
Have a-little, a-mercy
And give some (honey love)
Now, throw your arms around me
Pretend that you're lovin' dove
Now, you squeeze (squeeze)
Squeeze (squeeze)
Squeeze! (squeeze)
Ooo! (squeeze)
That's the honey love
(Bom, boo-loo, lo-lo-lo)
I'm gonna get it (get it)
In the morning sun
I'm gonna get it (get it)
When the day is done
I'm gonna get it (get it)
'Cause it's so much fun
I'm gonna get me some-a (honey love)
Yes, I love it (I love it)
'Cause it feels so fine
I love it (I love it)
Yes, it thrills my spine
I love it (I love it)
'Cause you're mine all mine
I love your, uh! (honey love)

(Love me, love me)
(Love me, love me-lo)
(Love me, love me)
(Love me, love me-lo)
(Love me, love me, love me)
(Love me, love me, love me)
(Love me, love me, love me-lo)
(Bom, do-do, do-do, do-do)

Let's you and me get cozy

Just like the fingers in a glove-a
Let's kiss (kiss) kiss (kiss)
Kiss! (kiss) Kiss! (kiss)
That's the honey love
Ooo-wee!
I need it (I need it)
A-when the moon is bright
I need it (I need it)
A-when you hold me tight
I need it (I need it)
In the middle of the night
I need, hmm (honey love!)
I need
(Oh, yeah!)
Honey love
I need
(Aah, baby!)
Honey love
I need
(Get it, boy!)
Honey love
I need, your honey looove!
