

Mayday

CMAT

What time were you born?
I'm bored again and thinking of you
And wishing you were home, woah-oh
Wish I could see the stars
We'd look upon the same ones, baby
The city makes it hard, although

I saw that Portugal's on fire, woo-oh
And Mississippi's underwater too
But all that I M-I-S-S is you
There's nothing that I can do

Why-wy-wy would you leave me here?
Why-wy-wy would you go away?
While the world is ending, you should be spending time with me
Why-wy-wy do I need ya, dear?
Why-wy-wy won't you say my name?
While the world is ending, you should be spending time with me
Mayday, mayday

Text me when you land (Text me when you land)
'Cause I am all at sea without you
And falling off the map, woah-oh

It's minus ten in Myanmar, woo-oh
I'm in Manhattan and it's forty-two
The only thing I JF-care to do
Is lie in the sun with you

Why-wy-wy would you leave me here?
Why-wy-wy would you go away?
While the world is ending, you should be spending time with me
Why-wy-wy do I need ya, dear?
Why-wy-wy won't you say my name?
While the world is ending, you should be spending time with me
Mayday, mayday

Mayday, mayday
Mayday, mayday
Mayday, mayday

The grass has turned from green to brown
I miss you when you're not around
I'm running out of time to spend with you
The grass has turned from green to brown
I miss you when you're not around
I'm running out of time to spend with you

Why-wy-wy would you leave me here?
Why-wy-wy would you go away?
While the world is ending, you should be spending time with me
Why-wy-wy do I need ya, dear?
You never listen to a word I say
While the world is ending, you should be spending time with me
Mayday, mayday
