Why do you hate me? Why?  
Why do you hate me? Why?  
Why do you hate me?  
Oh, why do you hate me?  
Why do you? Why do you do?

I scrambled those eggs for you  
I generally did what you asked me to  
I still got no respect, no  
I'm the Rodney Dangerfield of your ex-girlfriend

Why do you hate me? Why?  
Why do you hate me? Why?  
Why do you hate me?  
Oh, why do you hate me?  
Why do you? Why do you do?

I wrote my best jokes for you  
I did my best gags 'til my face turned blue  
And I never even got a laugh, no  
Rodney's turning in his grave on my behalf

Oh, why do you hate me? Why?  
Why do you hate me? Why?  
Why do you hate me?  
Oh, why do you hate me?  
Why do you? Why do you do?

I don't wanna talk about it anymore  
I don't wanna feel your face upon my floor  
I gave you all I had with no returns  
I thought you were my friend which makes it even worse

You shoulda left your girl for me  
But then my morals are low as my self-esteem  
So I guess I wish you all the best, yeah  
Hope your love is as solid as the head on her chest

You used to like me (Why do you hate me?)  
You used to like me (Why do you hate me?)  
You used to wanna spend all your time with me  
Oh, you used to like me  
You used to  
You used to

Why do you hate me? Why?  
Why do you hate me? Why?  
Why do you hate me?  
Oh, why do you hate me?  
Why do you? Why do you?

Why do you hate me?  
Why do you hate me? Why?  
Why do you hate me?  
Oh, why do you hate me?  
Why do you? Why do you? Do you?
