

# Take A Sexy Picture Of Me

CMAT

Ever since I was a little girl  
I only wanted to be sexy  
Nine years old  
Tryna wax my legs with tape

There were some things only I can see  
A little spot that can't be lifted  
On my left hand  
Dig in like a car key

So you see  
I've been having a horrible time  
Of late, I get none of your sympathy  
But all of the pain hits  
And the fog lifts  
And then it's too much for therapy

Oh baby heed my solution  
And take a sexy picture  
Take a sexy picture of me  
And make me look 16

Listen  
I did the butcher, I did the baker  
I did the home and the family maker  
I did school girl fantasies  
Oh, I did leg things and hand stuff  
And single woman banter  
Now tell me what was in it for me?

Oh, I've been having a horrible time  
Of late, I get none of your sympathy  
But all of the pain hits  
And the fog lifts  
And then it's too much for therapy

Oh baby heed my solution  
And take a sexy picture  
Take a sexy picture of me  
And make me look 15

You haven't looked at me the same  
Since I turned 27  
Where goes my potential  
Oh she's up in heaven  
Rest in peace to any chance of me  
Dating within the station  
Ah-ah, ooh-ooh, ah-ah, ooh-ooh

No doctor or Pope can grant diagnosis  
I've peeled through the forums  
There's no cure for old sis  
But here's a message to the party girls  
Dragged out by their ankles  
I'm here if you need me, deep in your afters

I've been having a horrible time

Of late, I get none of your sympathy  
But all of the pain hits  
And the fog lifts  
And then it's too much for therapy

Oh baby heed my solution  
And take a sexy picture  
Take a sexy picture  
Take a sexy picture  
Can't you see me wither  
Take a sexy picture of me

And make me look 14  
Or like 10  
Or like five  
Or like two  
Like a baby  
Whoever it is that you're gonna love so you'll be nice to me
