

## Tree Six Foive

CMAT

Another good idea  
I saved the messages you sent the night  
You tried to sleep with her  
Happy new year  
Lord, I forgot what day it was  
Loving you's a fog that wouldn't clear

But let me hit "Defrost"  
Let me get to thinking  
I could go to Vienna and take to the drink  
And I could raise a beer  
To the man who was embarrassed by me  
When the clock struck twelve

There's only tree, six, foive days a year  
And I don't want you here  
if I can help it, I will  
There's tree, six, four of 'em left  
Wait, let me catch my breath if I can save it

Another time and place  
I haemorrhage good will and good wine  
From people every time I open up  
I have no grace  
I haven't found it on my way  
To dance floors or to tunes

Tell me, was it worth it?  
Screaming so you heard it  
No. I'm not your equal, oh but I'm tryna to be  
Loud and I'm unnerving  
Checkmate and deserted  
Oh, but it still feels good, hey

There's only tree, six, foive days a year  
And I don't want you here  
if I can help it, I will  
There's tree, six, four of 'em left  
Wait, let me catch my breath if I can save it  
I'll spend it on a round of auld lang syne  
But never on a walking waste of time  
There's only tree, six, foive days a year  
And I don't want you here  
I don't want you here

Tell me, was it worth it?  
Screaming so you heard it  
No. I'm not your equal, oh but I'm tryna to be  
Loud and I'm unnerving  
Checkmate and deserted

No. I'm not your equal, oh but I'm tryna to be  
I was just a baby  
Thought that you could maybe  
Try to be a little gentle or soft with me  
Tell me, was it worth it?  
Screaming so you heard it

Oh, but it still feels good

There's only tree, six, foive days a year  
And I don't want you here  
if I can help it, I will  
There's tree, six, four of 'em left  
Wait, let me catch my breath if I can save it  
I'll spend it on a round of auld lang syne  
Never on a walking waste of time  
There's only tree, six, foive days a year  
And I don't want you here  
Six, five days a year  
Lord, I don't want you here  
Six, five days a year  
And I don't want you here  
Six, five days a year
