I will think of you just once a day, miss you
I'll try to forget you just once a day
Can't I? can't I?
If I can't, then what do I do?

At one word you say, I smile
I live like a mirror every day
My day is yours

Can't stop me now can't stop me now
The scent of spring that resembles you is still cold
Can't stop me now can't stop me now
I can't stop, I can't stop loving you

I think of you at the blowing wind
I think of you at the dazzling sunlight
I can't stop, I can't stop loving you

If I take a step back, will you allow me? miss you
I will be waiting from a step back
Can't I? can't I?
If I can't, then what do I do?

At one word you say, I smile
I live like a mirror every day
My day is yours

Can't stop me now can't stop me now
The scent of spring that resembles you is still cold
Can't stop me now can't stop me now
I can't stop, I can't stop loving you

If I call out to you endlessly, crazily, crazily
Will you hear me at least once?

Can't stop me now can't stop me now
My heart that only looks at you is still cold
Can't stop me now can't stop me now
I can't stop, I can't stop loving you

I think of you at the blowing wind
I think of you at the dazzling sunlight
I can't stop, I can't stop loving you
