Captivate

CNBLUE

Check me out in the mirror, I'm right here, baby
You're lookin' into my heart
Drink me in with your eyes you surmise that I'm
Falling deep in love with you

But I will stumble I fall rough and tumble
Like I don't have a clue (987654321)

I am not the boy I used to be, I'm taking a stand
I'm not afraid to step it up, you make me a man
On your hook, on your line, girl you go and reel me in
To the nth degree, you captivate me

Yeah, yeah, yeah
Yeah, yeah, yeah

Catch the scent of your hair in the air as you
Saunter across in the bar
Watch a drop of your wine as it climbs down your
Skin as smooth and shiny pearl

Your body scanning
Your smile so enchanting
Count down the ways to you

I am not the boy I used to be, I'm taking a stand
I'm not afraid to step it up, you make me a man
On your hook, on your line, girl you go and reel me in
To the nth degree, you captivate me

Yeah, yeah, yeah
Yeah, yeah, yeah

What a crush
I fell under you
Such a rush
When I saw you, my world froze
I lost all my breath, ooh

I am, I am not the boy I used to be, I'm taking a stand
I'm not afraid to step it up, you make me a man
On your hook, on your line, girl you go and reel me in
To the nth degree, you captivate me

Yeah, yeah, yeah
Yeah, yeah, yeah
