CNBLUE

Km-km, let's go

I'm still alive no matter what you say, right?
Hey, slow it down, yeah, I am one of a kind
I can change but you can't, I'm not the same, no
I'm like a chameleon
I'm still alive, everyone waits for me now
Look at me, guys, yeah, I am one of a kind
I can change but you can't, I'm not the same, no
I'm like a chameleon

Can you hear? (Ooh-ooh) I've been dead for a while
(Ooh-ooh) Still breathing, I am alive
It's time to open my eyes
It's time to wake up
You don't know my power (Ooh-ooh)
Change
It's time to play the game
'Cause I ain't just the same
Girl, I won't let you down
I'll show you now, I'm one of a kind

I'm still alive, I'm not a man to tell a lie
Sit back, relax, yeah, I am one of a kind
I can change but you can't, I'm not the same, no
I'm like a chameleon
I'm still alive, a whole new world is waiting
My life begins, yeah, I know I can make it
I can change but you can't, I'm not the same, no
I'm like a chameleon

Can you hear? (Ooh-ooh) I've been dead for a while
(Ooh-ooh) Still breathing, I am alive
It's time to open my eyes
It's time to wake up
You don't know my power (Ooh-ooh)
Change
It's time to play the game
'Cause I ain't just the same
Girl, I won't let you down
I'll show you now, I'm one of a kind

Can you hear? (Ooh-ooh) Oh, it's now or never
(Ooh-ooh) Gonna do it my way
It's time to open my eyes
It's time to wake up
You don't know my power (Ooh-ooh)
Change
It's time to play the game
'Cause I ain't just the same
Girl, I won't let you down
I'll show you now, I'm one of a kind
