Control

CNBLUE

I'm so tired of being here. I've been alone
I've been with the darkness and the scary night
I don't have a way to believe

I'm so tired of being here. I've been alone
I've been with the dimness and the awful night
Nobody can explain it, baby

Beyond the pain, beyond the pain
Beyond the dark, beyond the dark
Beyond the game, beyond the game
Spiraling down

I don't have to lay my life down
I don't have to lay myself down
Right, tear down the walls and free myself
I'm everything, I can't control

I don't have to lay my life down
I don't have to lay myself down
Right, tear down the rules and free my soul
I'm everything, nobody can control

I'm so tired of being here. Am I too lost?
But I will get there slowly but surely
It's not so far, baby

I'm so tired of being here. Am I too lost?
So far away from here I'm waiting for sun
I'm waiting for sun everyday yeah

Beyond the pain, beyond the pain
Beyond the dark, beyond the dark
Beyond the game, beyond the game
Spiraling down

I don't have to lay my life down
I don't have to lay myself down
Right, tear down the walls and free myself
I'm everything, I can't control

I don't have to lay my life down
I don't have to lay myself down
Right, tear down the rules and free my soul
I'm everything, nobody can control

I don't have to aim my life down
I don't have to aim myself down
Right, tear down the walls and free myself
I'm everything, I can't control

I don't have to aim my life down
I don't have to aim myself down
Right, tear down the rules and free my soul
I'm everything, nobody can control
