That time when I was happy and used to dream
That time when I only had innocent dreams
I long for those times
I want to go back

That time when I became happy by just imagining
That time when I became the main character of a fairy tale
I long for those times
I want to go back

Yes, let's jump toward the sky
I can be like Peter Pan
With my extended hand
I can touch the cloud
And ride it and fly
If I want, I can do it

I want to find my lost laughter
I want to catch my lost hope
I long for those times
I want to go back

Yes, let's jump toward the sky
I can be like Peter Pan
With my extended hand
I can touch the cloud
And ride it and fly
If I want, I can do it

If I want, I can do it

Should I wholeheartedly fall into the blue sea?
I can be like Marine Boy
As I sit on top of a great whale
I can be traveling

Yes, let's jump toward the sky
I can be like Peter Pan
With my extended hand
I can touch the cloud
And ride it and fly
