CNBLUE

It's hard to say my mind
Kiminokoe o tashikametai
Can you tell me your height?
Todokazu ni shizumu tameiki

If you're searching for the shine
Sono-te o hanasanai
Kitto meguriau dreaming of you
Harukana tabi e oh, oh-oh-oh

Anohinoyakusoku wa
Eien no michishirube
Samayō jikan itsuka kitto aeru
Sonohi ga kuru made wa
Kimi no kage de nemuru
I don't know, but I believe that coming true
The day we both know

It's hard to say your mind
Kagayaku mabushii yokogao
I can tell you my own
Kimi ga yurushite kurerunara

If you're searching for the shadow
Kono-te o nobashi (kono-te o nobashi)
Kitto meguriau dreaming of you
Boku de inara oh, oh-oh-oh

I don't wanna see you feeling blue
I don't wanna see your light is gone
Eikyūnarū jikan itsuka kitto aeru
Sonohi ga kuru made wa
Kimi o mimamoritai
I don't know but I believe that we can be the one
We both know, oh-oh-oh, oh

If you're searching for the shadow (If you're searching for the shadow)
Kono-te o nobashi (Please don't let go of my hand)
Kitto meguriau dreaming of you
Boku de inara oh, oh-oh

I don't wanna see you feeling blue
I don't wanna see your light is gone
Eikyūnarū jikan itsuka kitto aeru
