

Every Time

CNBLUE

I don't know what it is that
I love you so much like this, girl
I can't help loving you, baby
Always I think of you

I don't wanna be sad, baby
That's why I won't let you go
I know you love me like I love you
Please, show your love

And no matter what they say about us
It doesn't matter for us. I don't care
Even if nobody understands us

I know, I know
I want you every time
I miss you every time, even when I'm with you
I only wanna be with you

Nothing to say, I won't ask for more
I never knew that I could be in love
I just wanna be beside you everywhere
By your side

I don't wanna be sad, baby
That's why I won't let you go
I know you love me like I love you
Please, show your love

And no matter what they say about us
It doesn't matter for us. I don't care
Even if nobody understands us

1, 2, 3, everybody clap
1, 2, 3, everybody clap
1, 2, 3, everybody clap, yeah

And no matter what they say about us
It doesn't matter for us. I don't care
Even if nobody understands us
