I'm missing you, Itsu demo
I'm telling you, ima demo
Close my eyes and imagine you are in my heart
I'm thinking you, itsu demo
I'm drawing you, ima demo
She leaned over and whispered something in my ear

I am still in our memory
I am still in our love story
I am still waiting for you here
I'm never to lose heart, my love, my love

I'm missing you, itsu demo
I'm telling you, ima demo
The old times are all of our true stories
