Hmmm...

I erase the memories  
I erase them with tears  
I cannot keep you inside me  
I push away the memories  
I push away the pain  
So they can't stay inside me  
I throw away the memories  
I throw them away with tears  
So I won't have any hope  
So my longing heart won't even know

Even though I painfully push you away  
(I wait for you)  
I don't think I can stop missing you  
(I don't think it can be helped)  
I don't think I can let you go

I throw you away again and again  
But you grow inside my heart  
You become tear drops that won't dry out  
And grow even though I erase you again and again  
You become a wound that doesn't even hurt  
No matter how hard I try  
I can no longer hold onto my love  
That becomes more and more blurry each day

Hmm... hmm... hmm...

I swallow the tears that dig inside my heart  
So my longing won't lift up its heard  
So my exhausted heart won't know

Even though I painfully push you away  
(I wait for you)  
I don't think I can stop missing you  
(I don't think it can be helped)  
I don't think I can let you go

That becomes more and more blurry each day  
I can't

Your nervous eyes  
(Always trap me)  
This hope that you might come back  
(Keeps bruising me)  
But you can't come back anymore

I throw you away again and again  
But you grow inside my heart  
You become tear drops that won't dry out  
And grow even though I erase you again and again  
You become a wound that doesn't even hurt  
I love you, I love you  
I can't even hug you even though it hurts  
No matter how hard I try to hold on to you  
No matter how hard I call out my love  
I can't
