My smile-less reflection
On the mirror says
I know you know
I don't even have the strength to get up
Life without music
Is a lie
I know you know
Listen to my song; your heart burns

Boom boom tap boom boom tap
I fall asleep after morning breaks uh
No pain no gain

I don't count the few things that I lost
There are things to gain
The fire inside my heart keeps burning
Doesn't know how to die down. higher
There is nothing I can do for life
This sweat down my forehead haven't even dried yet

Listen to my song and shout
Look at me and shout
One time one time
Just this moment, one time
Shout again
For this moment
One time one time
Up to the sky higher than the heaven

My expression-less reflection
In the window says
I know you know
Why do my tears keep flowing
Life without music
Is false
I know you know
I'll sing you a song for you

Boom boom tap boom boom tap
I hope that I have a guitar in my one hand
And you in my other
Come to where I'm pulling you
So I can share my love with you no doubt
One way a only one way
Intensely look at me
I promise that I'll show you
We we we we we a make you high

Listen to my song and shout
Look at me and shout
One time one time
Just this moment, one time
Shout again
For this moment
One time one time
Up to the sky higher than the heaven

What what what
I can do it look at me slow down and down
What what what
Can't stop I'm ready I well do relax your mind
What what what
I can do it look at me slow down and down
Are you ready (yes sir) let's go to the world
Ready (yes sir) top of the world

Listen to my song and listen
Look at me and listen
One time one time
Just this moment, one time
Listen again
For this moment
One time one time
Up to the sun brighter than the heaven

Listen to my song and shout

Look at me and shout
One time one time
Just this moment, one time
Shout again
For this moment
One time one time
Up to the sky higher than the heaven

Up to the sky (up to the sky)
Up to the sun (up to the sun)
