We're like a puzzle
Yeah, I want to roll up
Align the colorful pieces

We're like a puzzle
Yeah, I want to fulfill
Gently fit the pace

Wandering alone the eternal light that I've been look for
Something missing in the middle of my heart
I knew the day I met miracle
They hold the missing piece

We're like a puzzle
I want create memories as many as the stars
Align the colorful pieces
Let's go to big future

We're like a puzzle
One by one, I want to fulfill thing together
Gently fit the pace
Swear eternal love

We're just the opposite
Great compatibility
We may different but have the same dream
When I look at you
I felt a miracle
A right piece
I'll give all to you

We're like a puzzle
I want to laugh as many as the star anytime
In the glittering piece
Draw a future love

We're like a puzzle
I wanted to count the number of dream together
Walk at a gentle pace
Let's make a vow of eternity

We're like a puzzle
I want create memories as many as the stars
Align the colorful pieces
Let's go to big future

We're like a puzzle
One by one, I want to fulfill thing together
Gently fit the pace
Swear eternal love
