Realize

CNBLUE

I need one day to realize
Dummy you know
What my name
Dummy you know
What you're saying
You need one day
For my life
You don't tell me
What you're paying
You don't tell me
What you're paying

Let 'em know
You are not late
You are afraid
Live your life
Do not regret
Let us fly away
Let 'em know
We are not late
We are afraid
Live your life
Do not regret
Baby, you can stand

You need one day recognize
Dummy you know
What's my name
Dummy you know
What I'm saying
You need one day
Change your life
I know life is full of pain
I know life is full of chance

Let 'em know
You are not late
You are afraid
Live your life
Do not regret
Let us fly away
Let 'em know
We are not late
We are afraid
Live your life
Do not regret

Let 'em know
You are not late
You are afraid
Live your life
Do not regret
Let us fly away
Let 'em know
We are not late
We are afraid
Live your life

```
Do not regret
Baby, you can stand
Baby, you can stand
Baby, you can stand
Baby, you can stand
```
