CNBLUE

Ooh-ooh-ooh, ooh-ooh
Ooh-ooh-ooh, ooh-ooh-ooh
Ring, ring, ring my bell
Ring, ring, ring my bell

Love you
You're far away from me, I love you
My love, please ring my, ring my bell
And tell me now, "I love you"
Yes, I love you
I feel that you are near me, love you
My love, please ring my, ring my bell
And tell me now, "I love you"

We are like the film "Love Actually"
We'll be together soon, I believe
Every night, you appear in my dream
My love, do you miss me too?

Hello, my (Ooh-ooh-ooh, ooh-ooh)
You are my little star (Ooh-ooh-ooh, ooh-ooh-ooh)
I want you back, oh, ring, ring, ring my bell
I want you back, oh, ring, ring, ring my bell
Hello, my (Ooh-ooh-ooh, ooh-ooh)
You are my shining light (Ooh-ooh-ooh, ooh-ooh-ooh)

When I can eat pancakes you made?
Every night, you appear in my dream
My love, do you miss me too?
