

# Robot

CNBLUE

You said, "You must listen to me, okay?"  
You said, "Not bad, but you must change yourself  
"Yeah, my mind must satisfy all of your thing, okay? (Oh)  
"You must tell me only, 'Yes, sir'"

I'm sick and tired of you, I want another new one  
You are not new anymore, hey, baby, bye-bye  
I'm sick and tired of you, you are no fun anymore  
Yes, she'll have to live for me, not yourself, forever

I'm a robot, I'm a robot, I'm updating every day  
I'm a robot, I'm a robot, I am not my own  
I can't look back at myself because I'm yours (Oh)  
I'm a robot, I'm a robot that you just want

No, no, I don't know myself  
No, no, I must lose it all  
No, no, I don't know myself  
No, no, I am not my own

You said, "You must erase yourself, okay?"  
You said, "All right, you only need to do that much  
"It is no matter how hard you try, okay? (Oh)  
"You must tell me only, 'Yes, sir'"

I'm sick and tired of you, I want another new one  
You are not new anymore, hey, baby, bye-bye
