I'm sick of my daily routine
That repeats like TV reruns
I'm sick of this suffocating city
In between square buildings

Even if I don't know
Where I'm going or what I want
I'm so sick of doing the same act on a chosen stage

Run, jump high as if you're crazy

Run, everyone come off the stage
Run, get up and shout, run run run run
Run, jump high as if you're crazy
Run, kick everything away and get up
From being trapped in this play

I'm sick of wearing the same clothes
And dreaming the same dreams
I'm sick of the life
That is xeroxed on this sheet of paper

Even if I don't know what's right
Or what I'm looking for
I'm so sick of living thoughtlessly
Like a robot doll

Run, jump high as if you're crazy
Run, everyone come off the stage
Run, get up and shout, run run run run
Run, jump high as if you're crazy
Run, kick everything away and get up
From being trapped in this play

Run, jump high as if you're crazy
Run, everyone come off the stage
Run, get up and shout, run run run run
Run, jump high as if you're crazy
Run, kick everything away and get up
Run run run run

Run, freely fly far
Run, spread wide the wings of your dreams
Run, get up and shout, run run run run
Run, freely fly far
Run, don't ever take caution of those around you
The main character is you

Run, jump high as if you're crazy
Run, everyone come off the stage
Run, get up and shout, run run run run
Run, jump high as if you're crazy
Run, kick everything away and get up
From being trapped in this play
