

With Me

CNBLUE

The wind is calling me, Kikoeta ki ga shitakara
Sora o miageru the world's atmosphere
Ima umare teru kimochi wa nanidarou
Tsutaetai no ni kotobanidekinai

No one, no way, ikisaki kimenaide ikou
Looking for a light, nando mo tashikameru yō ni

Keep your eyes only watching me, only feeling me
Ashinami soroete
Nigezu ni tsuyoi kaze ni mukau yo
Carry on only believing me, only catching me
Don'na mainichi mo
Are you ready? doko made demo over time with me

Undisguised heart, kakusu koto wa nai yo
Arinomama zutto can you listen to my soul?
Takusan no hibi takusan no deai ga
Bokurano kyō o sotto mimamoru

Gonna go way, tamani wa furikaerukedo
Looking for a star, chīsana kagayaki shinjite

Keep your eyes only watching me, only feeling me
Bokura no subete de
Dareka ni mubō to iwa rete mo i
Carry on only believing me, only catching me
Kōkaishinai-yō ni
Are you ready? itsu made demo over time with me

No one, no way, atarashī kazenifukarete
Looking for a light, ōkina ashitanimukatte

Keep your eyes only watching me, only feeling me
