

## Wishes

Coal Chamber

When we wish we wish for two  
When I wish I wish for you  
Yes they come and then they go  
But I'm still left here on my own

When we wish we wish for two  
When I wish I wish for you

When they wish they wish to fly  
Ask myself and don't know why  
Help bury wished underground  
You please warm leaves with no sound

When we wish we wish for two  
When I wish I wish for you

When I wish can't caress I can't caress you anymore oh

Goodbye my sorrow save regrets for tomorrow

When we wish we wish for two  
When I wish I wish for you
