Coast Modern

Sun shinin' when we're wakin'
Sun shinin' on your face and
I don't understand
I could be the man in your life
And you look like you do
What a view, what a sight

French kisses in the back seat, I'd
Grant wishes if you asked me
Genie in a lamp
Martini in my hand by the beach
It's my life, please believe
Never lies, don't deceive

Ooh, ooh
Ooh, ooh
I don't wanna go back
Never gonna go back
(Hey, hey)

Ooh, ooh
Ooh, ooh
I don't wanna go back
Never gonna go back

Look into my eyes, you see the future
Uh, it's full of uncertainties
Don't you wanna come with me
So come
You are not alone, I'm comin' witcha
(Leggo)
Cause this is a emergency
I wanna beat it like I'm Hercules

Place is so fire, gotta see about it
(I'm bout it)
I think she don't need a man, she can do without it

Ooh, ooh
Ooh, ooh
I don't wanna go back
Never gonna back
(Hey, hey)

Ooh, ooh
Ooh, ooh
I don't wanna go back
Never gonna go back
