

On My Way

Coast Modern

What's so funny?
Where you are, where you're going
Runnin' 'round, baby
Get the money
Drive the car
Fall in love
Then rock-a-bye baby
Uh uh, it's not exactly how I planned it
Uh uh, it's like I'm on another planet

I'm on my way oh-whoa
Or in my way oh-whoa
Am I on my way oh-whoa
Or in my way oh-whoa

Why'm I running?
I read the script
I played the part
But now me no wanna
Chase the bunny
Down the hatch
Find the path
You karma chameleon
Uh
And there's an ocean filled with diamonds
Uh uh
If only you can find 'em

I'm on my way oh-whoa
Or in my way oh-whoa
Am I on my way oh-whoa
Or in my way oh-whoa

Should I give it all up
Move to the country
Grow a couple vegetables and get a dog, ah-ah
Should I keep chasing the dream
Live and die by the stream
Write another song for you, it's all for you
Now I'm yours

I'm on my way oh-whoa
Or in my way oh-whoa
Am I on my way oh-whoa
Or in my way oh-whoa
(Should I give it up)

I'm on my way oh-whoa (Am I on my way, am I in my way)
Or in my way oh-whoa (Am I on my way)
Am I on my way oh-whoa (Am I on my way, am I in my way)
Or in my way oh-whoa (Am I on my way)
