

Another Lover

Cobi

It's too late to change your mind
And come with me
You trying to change my mind
I'm out your league

Give me the ring
Oh, hand it over
I know you have
Another lover
Two timing me
Been undercover
Now why'd you have to go
And fuck her

You tryna change my mind
You can't believe
That I'd leave that mess behind
In a heart beat

Give me the ring
Oh, hand it over
It's been arranged
For another lover
Gonna make you watch
Gonna make you suffer
See how it feels
When I go and fuck her

Give me the ring
Oh, hand it over
I know you have
Another lover
Two timing me
Been undercover
Now why'd you have to go
And fuck her

Give me the ring
Oh, hand it over
It's been arranged
For another lover
Gonna make you watch
Gonna make you suffer
See how it feels
When I go and fuck her
