

Just My Luck

Cobi

I didn't mean to be so bad
I try to keep it to a limit
What'd I do to make you so mad
You got to see it to believe it

I tried to quit you long ago
Must've lost my sanity
Then I mised you when you were gone
Oh, what'd you go and do to me

Cause when you're gone
Everything just goes sideways
Ain't that just my luck

When you're on my arm
Used to things going my way
Ain't that just my luck

Gonna tell you and I won't lie
When I say I was defeated
I never let out such a soul cry
You'd have to hear it to believe it

I swore that I'd pick up the slack
If I have to do a song and dance
I'd do anything to get you back
Oh baby, get you to come back to me

Cause when you're gone
Everything just goes sideways
Ain't that just my luck

When you're on my arm
Used to things going my way
Ain't that just my luck

Cause when you're gone
Everything just goes sideways
Ain't that just my luck

When you're on my arm
Used to things going my way
Ain't that just my luck
